

Policy Statement

Sourcing and Labour Standards in Nepal

1. YYY Foundation is committed to ensuring that no forced or bonded labour is used in the delivery of any of its services, or on any project to which it provides funding. The charity will require of all NGO's and any partner organisations that they adhere to this policy.
2. YYY Foundation is similarly committed to ensuring that no child labour is used in delivering any of its services, or on any project to which it provides funding. The charity will require of all NGO's and any partner organisations that they adhere to this policy.
3. YYY Foundation will require that all Nepalese national or local regulations and standards are adhered to in respect of people working on projects funded by it, including any regulations or standards in respect of minimum wages.

YYY Foundation requires that all reasonable enquiries are made by its Partners and/or representatives in Nepal to ensure that suppliers adhere to similar policies to those expressed in paragraphs 1-3 above.
